### Having my own business has always been a lifelong goal.

What kind of business wasn't always clear, but having grown up in the real estate industry from a young age, developing a genuine love and passion for it, and building long-term relationships (and sometimes even friendships) through that passion has made the type of business I would one day own abundantly clear.

### Thank you to God for making Maverick Realty possible.

Maverick Realty turned 2 on 1 October 2025, and boy oh boy, has it been an adventure! From the lowest of lows, financially struggling to cover basic business and living expenses, almost having a car repossessed (and, and, and), to now starting our journey toward turning 3 on a completely different level.

We've been truly blessed, and we'd like to take this opportunity to thank all our clients, because without your trust and belief in

us, we wouldn't be able to do what we do. A huge thank you also goes out to our service providers... you know who you are. From conveyancing firms and in-house bond originators to photographers and, of course, my amazing wife, who heads up our marketing, just to name a few.

I was always told you're only as strong as the weakest link in your chain. Thank you to everyone involved in helping us live out our story, from those behind the scenes to those in our day-to-day operations.

**I'm proud to share that I've recently qualified as a Master Property Practitioner after passing my PPRA board exam in August 2025.** This achievement allows me to serve my clients with even greater expertise and confidence, and to reinforce that Maverick Realty is the right company to partner with for all your property needs, whether it's selling your lifelong home, managing investment rentals, or securing reliable tenants for your real estate investments.

I know there will always be seasonal ups and downs, but with God, all things are possible, and having Him in control is the only way.

**We look forward to being of service to you!**
